

For Immediate Release

19 July 2011

Kawartha Durham Kart Club to host “Kawartha Karting Challenge”, August 14, 2011

Kawartha Durham Kart Club presented by Dan Holt of Keller Williams Energy Real Estate will host the “Kawartha Karting Challenge”, a special charity event on Sunday, August 14, 2011 on their home track at Kawartha Downs and Speedway, Fraserville, Ontario. KDKC will contribute a portion of all proceeds to the YWCA Crossroads Women’s Shelter of Peterborough, Victoria and Haliburton.

With a strong history and future commitment to supporting the Honda engine program, KDKC welcomes all Honda racers to take part in an event that will feature great racing on the high banks of Kawartha Speedway, fun events, prizes throughout the day for drivers and guests and much more. KDKC welcomes additional support from Kawartha Downs and Speedway, Partsource stores of Peterborough, Cobourg, Pickering, Oshawa and Whitby, Mill Valley Trophies of Cobourg, Kawartha Credit Union and Elgin Auto Parts of Lindsay.

Spectators will be invited to make volunteer donations for entry at the track.

Do you have a tricked out Honda engine that you’re itching to get on the track? KDKC will introduce 2 additional classes just for this event - Honda Open Senior and Honda Open Junior. Yes, that’s right. Open classes where almost anything goes. Check out the club’s website for rules and registration instructions.

Classes for the day will include Novice, Junior Lite and Heavy, Senior Lite and Heavy, Masters and Honda Open Senior and Honda Open Junior. How about the shifter karts? Yes, they are welcome to join us for the day. As always, competition entry fee is only \$65 per driver per class.

The Kawartha Durham Kart Club presented by Dan Holt of Keller Williams Energy Real Estate is about family fun, friendship and great competition. Don’t miss out on a day of great racing. Bring your fans and show them what kart racing is all about.
