YWCA Sells Former Crossroads Shelter

Peterborough, ON – June 2, 2011 – YWCA Peterborough, Victoria & Haliburton says farewell to the former Crossroads Shelter, located at 550 Water Street. For more than 25 years, this historic brick home was central to the YWCA's shelter services and provided a sanctuary to women and children in our community.

Mary Ellen McCamus Broker of Record for Exit Realty Liftlock, Brokerage, presented the YWCA with a cheque for her commission, stating that, "YWCA Crossroads Shelter is a much needed facility, and it would not be possible without the financial assistance from local businesses. I believe very strongly in this type of community involvement, and making this donation is one way Exit Realty Liftlock, Brokerage can give back and say "Thank you, Peterborough, for all you do".

Proceeds from the sale of the 2 ½ storey home will be used to create a capital replacement reserve for the new Crossroads Shelter, which opened its doors earlier this year.
